

**“Apostle”**

**Jesus Christ is The Apostle.**

**An apostle is someone who  
is a delegate  
(representative), a  
messenger, and one who is  
sent forth with orders.**

**Jesus is the Father's delegate  
or representative because  
Jesus said our response to  
Him is also a direct response  
to the God He represents and  
was sent by.**

**Jesus is God's messenger  
because He proclaimed  
the message God gave  
Him.**

**Jesus is the only delegate or messenger who pre-existed with God before there was a Heaven and came directly from God after Jesus created Heaven.**

**Jesus was sent to earth  
by the Father's will and  
love.**

**God sent Jesus to earth  
with orders to, in general,  
do God's will and speaking  
God's words.**

**Proclaim freedom and  
set people free.**

**Preach the kingdom of  
God.**

**To condemn sin by  
being a sin offering.**

**To set free those under  
the law so they can be  
God's adopted children.**

**So that we might  
have life.**

**To satisfy God's  
sacrificial demand to take  
away sin.**

**To be the Savior of the  
world.**

**We know Jesus was sent  
from Heaven because of  
the works Jesus did.**

**We know Jesus was sent  
from Heaven because  
Jesus rose from the dead.**

**Christian unity can serve  
as evidence that Jesus  
came from Heaven.**

**I must believe the Father  
sent the Son, believe in the  
Son, and know the Father  
and the Son.**

**Jesus takes His office and  
function of apostleship  
and imparts His office  
and or function to others.**

**The Lord has instructed  
me to pray for more  
people to be sent into the  
harvest field.**

**As a follower of Jesus Christ  
who is to live like Him, I am to  
function as Jesus' delegate or  
representative who is sent on a  
mission to share the gospel and  
make disciples.**

**I may not have the office  
of an apostle, but I am to  
function as an apostle.**
